

Your Dining Experience:

We also serve evening meals. On booking you can see that there is a Bed & Breakfast rate, or if you know you want to dine on all nights of your stay you can book the Dinner, Bed and Breakfast package.

We are in a rural location and there are very few places to eat in the village so you must let us know in any event on which nights you would like to dine.

The latest we serve is around 7pm.

Times of meals will be agreed during your stay.

You must let us know on booking or in advance and prior to your stay if you have any allergies or dietary restrictions. This can be done in the "Special Requests" field on booking.

Meals will be staggered to observe social distancing, but also to ensure that everyone has a pleasant dining experience.

On the first night, should you dine at Carradales, you will experience a selection of house specials subject to your dietary restrictions.

If you choose to dine thereafter, you will have a choice of 3 starters, main courses and desserts. A 3- course meal will cost from £45 per head.

We have been awarded with a "Taste Our Best" accreditation from VisitScotland. This means that Steve takes pride in only sourcing the freshest local ingredients in our menu items whenever possible. Locally sourced ingredients ensure we are serving the freshest Scotch and best tasting food possible and also help support local farmers and preserve the environment by reducing our carbon footprint.

Provenance

Hyslops, Tarbert provides our bacon
